ULTIMATE LAND, SEA & AIR EXPERIENCE

143 FEET OF  
*LUXURY*

---

---

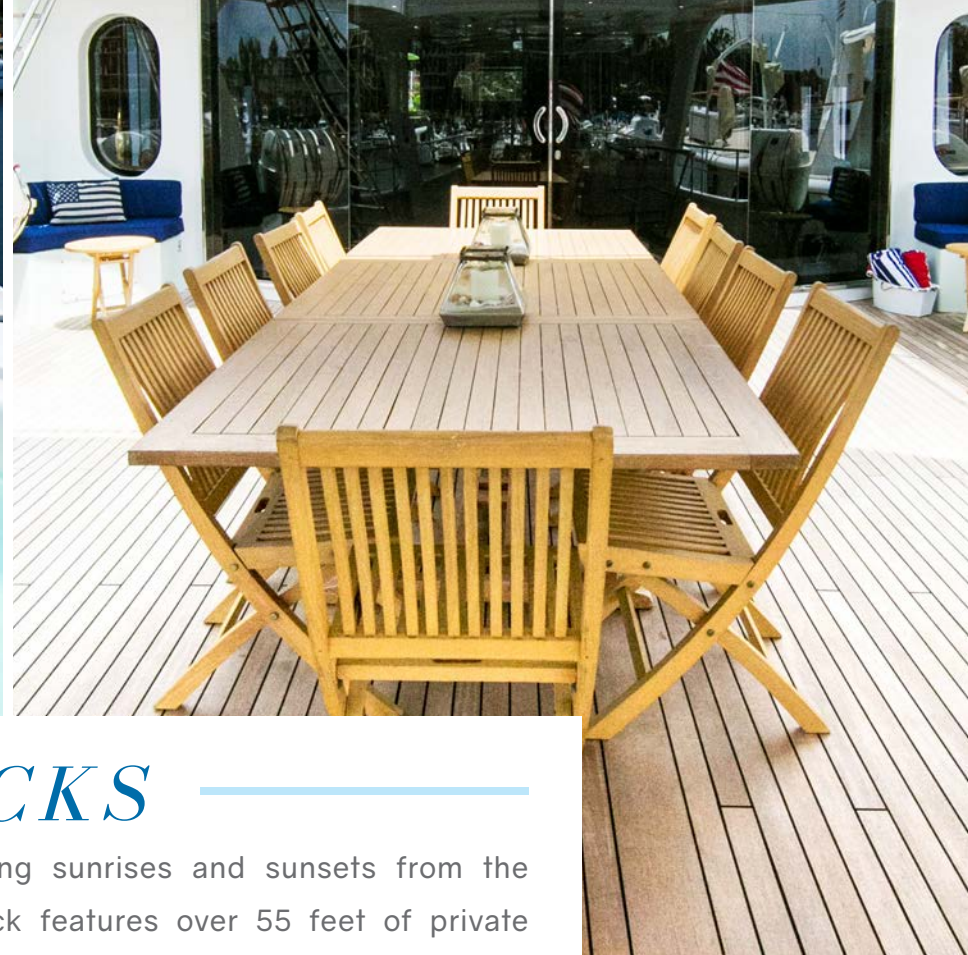

The luxurious Sun Coast yacht is a modern yet sophisticated vessel with no detail left untouched. With 143 feet of contemporary external lines, four levels of spacious deck space, modern luxury interior and a professional crew at the ready and available, she is without a doubt, a gem.

This bold creation gives a new meaning to yacht luxury. Without a single doubt, this beauty is an incomparable masterpiece that will transform your cruising from just another trip into a delightful experience.

## *DECKS*

Prepare to be exhilarated watching sunrises and sunsets from the observation tower. The upper deck features over 55 feet of private sunbathing area, a bar, Jacuzzi, and helicopter access. Enjoy a warm, comfortable ambiance on all levels, including space for a dance floor, with private dining on the mid deck. The lower outdoor deck is where you'll enjoy water level dining enhanced by a top of the line sound system.

## *INTERIOR*

---

Furnishings in the living spaces are contemporary, elegant, and comfortable. Indoor seating in the common areas provides ample space for relaxing to watch one of 15 television screens, to play board games, or enjoy conversation over appetizers and beverages. Don't forget to relax in one of six beautiful staterooms or chill out in the steamroom.
